Beers will be judged by brewers and owners from our local breweries, as well as Kevin Winters, from **Doc's Homebrew Supply**. Beers will be judged to the style guidelines for the GABF style declared, reference <https://www.greatamericanbeerfestival.com/brewers/beer-styles/>.

Judge comments will be supplied to all entrants.

kettle soured beers are OK. Questions to Seth at (607) 217-4815.

Styles will be combined into a few categories for judging, based upon the distribution of styles submitted. Best-Of-Show judging of category winners will be used to determine the overall winner, as well as 2nd and 3rd place.

The winning beer will be brewed by the Homebrewer and Galaxy staff on the Galaxy system, for sale at Galaxy. At least a 2nd batch will be made and submitted to the 2019 GABF Pro-AM contest in Denver. 2nd and 3rd place winners, as well as the best in each category will be recognized.

The \$160 GABF Pro-AM entry fee will be paid from the entry fees collected, with the remaining profit given to the Handicapped Children Association (HCA).
